

TECHNO - 10

Sorreal Systems Pvt. Limited, New Delhi in association with School of Management Sciences, Varanasi has started a unique software development centre at the campus of SMS- Varanasi. After getting encouraging result of its initiative “**TECHNO-10: SOFTWARE TRAINEE PROGRAM**” from year 2018, this centre has decided to launch again same programme for MCA final year students which will run under the banner of the **LIVEWIRE – Technical Club**.

The aim of this program is to transform **10** software trainees as software engineers, equipped with the contemporary knowledge and tools of IT, who will be **ready to be inducted** in the IT industry. The key objectives of this programme are:

1. To develop the analytical techno brain.
2. To provide real time problem solving exposure using cutting edge technologies.
3. To build up the ability to manage work pressure.
4. To understand the SDLC process practically.

Who can join?

Only those students who are appearing in MCA 5th Semester Exam of any institution/ college.

Key benefits of the programs:

1. Sharpen the technical skills
2. Students will equip with solution of IT industry demand.
3. Chance to work on real time environment.
4. Deployment of projects on real time servers accessible from any nook and corner of world.
5. *Fulfils the MCA 6th sem student's industrial project requirement.*
6. Chance to grab such opportunity in Varanasi.

How many seats?
